Office Furniture

INTRODUCTION

Introducing “Pure Desking” the latest design from Imperial Office Furniture. Pure has been designed to offer a competitive alternative to iBench. Pure is available in all Imperial board finishes including our new black MFC with the option of a new two tone design. Therefore allowing any desk top finish with white, silver or black modesty panel and trim. Pure incorporates a 50mm post leg design which offers a modern bench appeal. Cable management is available in the form of individual cable trays which locate on the inside of the modesty panel. Pure also offers value for money combination desking and pedestal designs to cater for the demands of a competitive market place.

5 Year Guarantee

Imperial Office Furniture is committed to providing exceptional service, manufacturing quality products with a comprehensive 5 year guarantee.

Pure Desking offers a leg design which has been developed to create a competitive alternative to iBench.

Cable management is available in the form of individual cable trays which locate on the inside of the modesty panel.

Pure Desking is available with various desk top shapes with a choice of white, black or silver trim.

Combination desking and pedestal designs have been developed to cater for the demands of a competitive market place.

Pure is available in all Imperial board finishes including our new black MFC with the option of stylish two tone combinations.

Rectangular desking provides the most popular of workstation configurations complemented with contrasting colours.

Innovative radial designs have been introduced to create a modern aesthetic appeal.

Managerial conference desking provides additional working area and creates space for informal meetings.

Radial workstations are available with integrated pedestals to provide value for money solutions.

Pure pedestals and storage can be complimented with contrasting facias and doors.

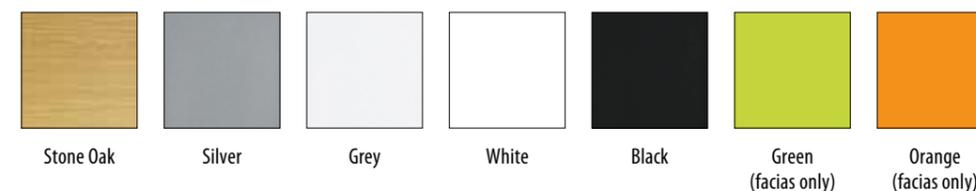

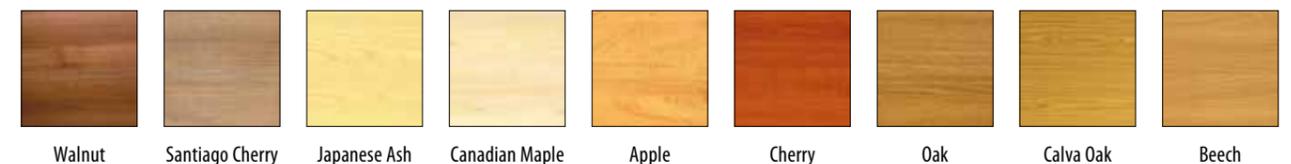

Please check our 'Imperial Colours' price guide for further details on these colour options.

A selection of storage units have been designed to complement the Pure range and are available with 25mm tops and 18mm solid backs as standard. Pedestals and filing cabinets are manufactured with side pull facias and are available as 2, 3 and 4 drawer combinations.

Storage cupboards are available with side opening or vertical tambour doors, lockable spring loaded hinged doors or in a basic open format. All units accommodate various shelving accessories to offer total functionality and efficient storage solutions.

Wood finishes available

All products within the Pure range are available in all 14 Imperial board finishes and incorporate 2mm PVC edging tape. All products manufactured in MFC (Melamine Faced Chipboard) by Imperial Office Furniture have come from FSC certified suppliers.
